SECTION I- PURPOSE FOR APPLICATION

New Well

Alter existing well (Please briefly explain) _____

Number of days well is anticipated to produce groundwater _____.

Amount of water applied for (anticipated usage) for this operation- _____ gallons

***Please note: If actual production exceeds the permitted amount, applicant is subject to District action.

Proposed Well Depth _____ feet

Proposed Well Capacity _____ gpm

SECTION II – APPLICANT

Name _____ Phone _____

Address _____ City _____ State _____ Zip _____

SECTION III – AUTHORIZATION FOR WELL

Applicant certifies that the Texas Railroad Commission issued a permit for the exploration for oil and gas on the property or within the oil and gas field. This groundwater well is/will be used on property owned by the following individual(s).

Lease Name _____ Lease # _____

Name _____ Phone _____

Address _____ City _____ State _____ Zip _____

SECTION IV – ATTACHMENTS (please list all items attached to this application)

Property Description (Mandatory)

Map of location including Latitude and Longitude (Mandatory)

Groundwater Lease or similar documentation authorizing production of groundwater (Mandatory)

List of Oil and/or Gas wells to be Fractured

\$300 Application Fee

Other (please explain) _____

SECTION V – AFFIRMATION AND EXECUTION

Applicant certifies that Applicant has obtained from the owner/groundwater lessee the legal right to produce the groundwater. I certify that all statements and information in this application are true and correct. I also declare that all groundwater withdrawn will be put to beneficial use at all times, and that the Applicant will abide by the Management Plan and Rules of Post Oak Savannah Groundwater Conservation District, and that the total amount of groundwater used for this operation will not exceed the permitted amount. It is further understood by the Applicant that any obligation to notify the owners of the rights to the groundwater from this property of this production, and payment of any fees due to the District, rests with the Applicant.

COUNTY OF _____ §

Affidavit of Right to Produce Groundwater

BEFORE ME, the undersigned authority, on this day personally appeared _____ who being duly sworn by me did on his/her oath, depose and say that:

"My name is _____. I am of sound mind and over eighteen (18) years of age. I am the owner of land located at _____ in _____ County, Texas ("Land"). My address is _____, _____, _____, and I and am personally acquainted with the facts stated herein and such facts are true and correct. The Land is the same property, or is included within the boundaries of the same property, that is described in Section IV of the Application for FRAC or Stimulation Oil and Gas Permit to which this Affidavit is attached.

I own all the water rights, or have leased the water rights, to the Land, and have granted to _____ ("Lessee") the right to produce groundwater purpose of the Lessee exploring for oil and gas on the Land, and drilling an oil and gas well on the Land. Subject only to the terms of a permit issued by the Post Oak Savannah Groundwater Conservation District, I have granted the Lessee the right to drill a water well and produce groundwater as reasonably needed and required for the exploration for oil and gas, including drilling and hydraulic fracturing for oil and gas wells.

This statement is given freely and voluntarily and no one has made any attempt to suggest any comments or views to be expressed by me with respect to this matter."

Further, Affiant sayeth not.

SWORN TO AND SUBSCRIBED TO BEFORE ME, the undersigned a notary public, on this the _____ day of _____ 20__.
