Lyons Water Supply Corporation has \$9272.89 in funds remaining from the 2017 POSGCD grant. We are asking to use the money to replace an existing water line on CR 424. This replacement was a part of our 2018 POSGCD grant application in which we did not receive any funds for the project.

Lyons Water Supply will replace approximately 1000 feet of line.

Lyons Water Supply Corporation is thankful for the past support we have received from you and look forward to working with you in the future.

Sincerely,

Randy Rychlik  
Lyons Water Supply Corporation President
