7. Board Dashboard

Board President Sidney Youngblood asked for a report of progress from each committee. He began by reporting the Advisory Committee had moved forward with approval of the contract to be used in the Aquifer Conservancy Program (ACP) and oversight of the ACP Ambassadors program. Director Alford reported on the Grants awarded. Director Goetsch reported the Rules Committee had their 1st meeting of the year and reviewed proposed amendments. She also noted that the committee will have a workshop in the near future. Bob Wilson, Chair of the Education Committee asked Doug Box to give this committee's report, and Mr. Box reported on the ongoing work of the Education Committee, including the ACP signs to be erected in the District. He stated that several people had come forward to participate by hosting a sign, and he presented a mock up of the sign to be used. He then reported the cost options to do a mass mailing on the ACP to rural addresses in the District. Finally, he handed out a report on the newsletters and discussed the success of this publication. GM Gary Westbrook noted that the Summit was set for August 14th and that the Caldwell Civic Center had been reserved. Durwood Tucker, Chair of the Legislative Committee asked GM Gary Westbrook to report on legislation the Legislative Committee was monitoring. Mr. Westbrook called attention to the current groundwater bills being monitored, and presented a spreadsheet showing support or opposition as expressed by the Texas Alliance of Groundwater Districts (TAGD). Director Youngblood reported the Community Outreach Committee would schedule a meeting after the Summit to discuss any topics that arise from the Summit. No action was taken.

8. Update on Aquifer Conservancy Program

a. Administration

President Sidney Youngblood asked General Manager Gary Westbrook for an update. GM Gary Westbrook stated that contract and sign-up sheet had been completed and staff will soon meet again with attorneys to finalize the process of administering the program.

b. Ambassador Program

GM Gary Westbrook reported that we have received response back from some of the Ambassadors and that he will schedule a meeting within the next 3 weeks.

He also reported that the BRA had invited us to speak at a steering committee concerning the ACP in Waco, April 11.

9. Report on investigation of deposits of coal ash and possible effects on groundwater resources

GM Gary Westbrook stated that ALCOA was scheduled to give a report on this, but has decided that since Luminant is the current owner of the land the report should be deferred to them. A presentation at the Board meeting in May is anticipated.

10. Update on Water Level Monitoring Work

Bobby Bazan, District Water Resource Manager, gave stated that the annual water level measurements were almost complete with approximately a dozen wells yet to be measured, and that most of these were due to inability to coordinate the effort with the owners/operators of those wells. He also stated he expected to have this issue finished by late next week.

11. Update on Application to Dispose of Oil and Gas Waste by Injection, number 1186984, filed by Wildhorse Resources Management Company, LLC

GM Westbrook reported that no decision has been made by the Railroad Commission yet. No action was taken.

12. Review of Recent Educational Efforts and Activities

A report was given by Doug Box stating that the newsletters had been sent out and that our open rate is up from 39% to 45%. This is double from previous publications. He stated that we had a Rainwater Harvesting class last week and the attendance was to full capacity and that additional tables had to be set up. He is working on doing a presentation for the Rockdale Earth Day and stated that progress is being made on the ACP Signs and presented a mock-up of the sign and pricing for this.

13. Joint planning process and Desired Future Conditions (DFC's), groundwater resources in the District, and future process for evaluating District DFC's for Groundwater Management Area 12 (GMA12) and Groundwater management Area 8 (GMA8)
