Gary, please forward to Sid, the board, the staff and Judge Young-

10 JUNE 2020

With humble acknowledgement of my new appointment as the now permanent City Manager of Angleton, Texas and a permanent move here for this new service, I resign as a board member.

I am humbled by and appreciate the trust and faith by Judge Young as well the Rockdale leadership that appointed me to this responsibility as then a rookie city manager and relatively new to Milam County. I felt part of a great team facilitated by Sid who did a phenomenal job of being inclusive to the directors, staff and public. What a great opportunity and working environment! I love my fellow board members for their dedication and commitment to the most valuable resource in our lives (water or red water if you are in Rockdale).

Part of the great team- Gary and the staff who did the heavy lifting and are truly experts in their craft and make our decisions easier as a board. The credit goes to them, too numerous to name. Thanks Barbara BW for allowing me more than three questions per meeting and keeping me on the straight and narrow.

I was always appreciative to the affected parties, which we all are in Milam and Burleson County, who spoke their mind through comment or critique, Kudos to you for being active in the process and your home.

I have grown professionally and personally because of this experience.

Vr Chris Whittaker
