LEGISLATIVE COMMITTEE REPORT

The Legislative Committee met on Tuesday, May 4, 2021 to discuss the Resolution/Legislation approved by both the Burleson and Milam County Commissioners Courts. Realizing that the Board still has questions relative to the impact of such Resolution/Legislation on the District and its powers under its Mission Statement, Chapter 36 and its enabling legislation, the Legislative Committee recommends exploring alternatives that may assist both Counties in areas where the District's and the Counties' statutory mandates are aligned. As Burleson County Judge Keith Schroeder elaborated at the April 13, 2021 Board meeting, there are various environmental programs the County is tasked with that may be suitable joint opportunities.
