

Affidavit

I, Tommy E. Hodges, a representative of Alcoa USA Corp. (Alcoa), a Delaware corporation, hereby certify that, to the best of my knowledge the following facts:

1. On June 25, 2021 a letter regarding Alcoa's application to Amend Drilling and Operations Permit 0148 with Post Oak Savannah Groundwater Conservation District was mailed to 78 landowners via U.S. Postal Service Priority Mail with Delivery Confirmation. The letter addressed to Alcoa USA Corp. was hand-delivered to the Alcoa representative onsite. Per Milam County Appraisal District, since cemeteries are tax-exempt, there is no address on file, so the 2 cemeteries on the list were not sent letters.
2. Twenty-one of the delivery confirmations had not been received by July 9, 2021, so a second letter was mailed to 21 landowners via U.S. Postal Service Priority Mail with Tracking Information for delivery confirmation. Delivery on these 21 landowners was confirmed via accessing the USPS tracking information website.
3. A list of the landowners and the delivery status for the mailing is attached to this document.

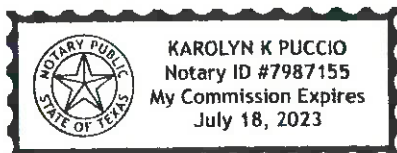

Tommy E. Hodges

Consultant to and Representative for:
Alcoa USA Corp.
Rockdale Operations

STATE OF TEXAS §

COUNTY OF MILAM §

This instrument was acknowledged before me on this 12th day of July, 2021, by **Tommy E. Hodges**, representative for Alcoa USA Corp., a Delaware corporation, on behalf of said corporation.
