Hello Mr. Hodges,

I have reviewed your submissions of well screen information and affidavit of notice with Steve Young of Intera and Barbara Boulware-Wells, the District's general counsel. We agree that we can now confirm that you have supplied the requested necessary information, and that the ALCOA applications are administratively complete.

Sincerely,

Gary Westbrook

**Subject:** Affidavit of Landowner Notification

Gary,

Attached is Alcoa's affidavit of landowner notification along with supporting documentation.

I am sending to you via US Mail the original with original signatures.

Can you confirm for me that the well data file I sent yesterday and this affidavit today complete and satisfy the districts requirements?

Thanks,

Tommy E. Hodges, P.E.
