Dear Gary:

On behalf of the Milam County Commissioners Court, we thank you and the Post Oak Savannah Ground Water Conservation District, Board of Directors for the diligent work to preserve the water of the aquifers. We realize this is a difficult task, but that under the direction of President Youngblood significant progress continues to be made.

I am happy to report that on December 13, 2021 the Milam County Commissioners Court unanimously reappointed the three incumbent members of the Board to their former positions for another term. Therefore, Mr. Sidney Youngblood was reappointed to his position as the Industrial Director; Mrs. Dana McClaren as the Agricultural Director; and Mr. Ward Roddam as the Municipal Director.

We sincerely appreciate your continued support and we look forward to working together to protect and preserve our water.

Sincerely,
