SECTION IV – ATTACHMENTS (please list all items attached to this form)

SECTION V – EXEMPTION STATEMENT, AFFIRMATION, AND EXECUTION

I certify that all statements and information in this form are true and correct. I also declare and certify that if the above referenced well is an exempt well, it has been drilled, equipped, and/or completed so as to be incapable of producing more than 25,000 gallons of groundwater per day, or that this well is exempt under a permit issued by the Railroad Commission under *Chapter 134, Texas Natural Resources Code*, or production from this well is necessary for mining purposes. If a well which is exempt under a permit issued by the Railroad Commission of Texas is to be used for any purpose other than the permitted use that new use must be permitted by the District.
