

Subject: City of Thorndale - Digital Water Meter Project
Date: Tuesday, October 11, 2022 at 10:30:27 AM Central Daylight Time
From: Ray Miller
To: gwestbrook@posgcd.org

Good Morning Gary,

The City of Thorndale has gone through the process of selecting the digital water meters that will be used as part of the Water Meter Replacement Project that is being funded through a 2021 Grant from the Post Oak Savannah Groundwater Conservation District. The City of Thorndale is awaiting the delivery of the new water meters and unfortunately we do not have a set delivery date at this time. The Engineer that is assisting the City of Thorndale with this project has developed the necessary Bid Documents for the installation portion of the project. We are waiting to advertise the Bid Documents for the installation until we get a more definite delivery date of the meters.

The City of Thorndale has completed about a third of the project and hopefully will be able to make additional progress on the Water Meter Replacement Project within the next 6 months.

Ray Miller, Jr.
Thorndale City Administrator
