RE: Applications of SLR Property I, LP for a new 9,000 acre-feet per year (af/yr) Simsboro and Hooper Drilling and Operating Permit, and a new 15,000 af/yr Simsboro Operating Permit

Dear Mr. Westbrook:

I represent SLR Property I, LP (“SLR”), applicant in the above referenced matters. Pursuant to Texas Water Code Sec. 36.416, and on behalf of SLR, I respectfully request that the Post Oak Savannah Groundwater Conservation District (“POSGCD”) contract with the State Office of Administrative Hearings (“SOAH”) to conduct the preliminary hearing and any subsequent contested case hearings that may be required for the above referenced matters.

Please provide me a copy of the executed SOAH contract and advise me of the amount SLR needs to deposit with POSGCD. I understand the deposit needs to be made before the preliminary hearing begins. When SOAH invoices POSGCD, after the conclusion of any hearings, we can make additional payments as needed, or secure a refund of any excess money.

Please call me at 512-423-8552 if you have any questions regarding this request.

Respectfully,

Molly Cagle
