Re: 2022 Conservation Grant

Dear Mr. Westbrook,

Marlow WSC (MWSC) was awarded a 2022 Conservation grant in the amount of \$75,341.00. MWSC will contribute not less than \$25,000 to the cost of the Project. These grant funds were to be used as matching funds for a FEMA grant to purchase four (4) generators for the system.

Unfortunately, FEMA has not awarded the grant, yet. MWSC is still in the running for the grant. It has moved from TDEM to FEMA for review.

MWSC respectfully requests that POSGCD grant an extension for its 2022 grant. Hopefully, FEMA will award the grant within the next year.

Sincerely,

Robert Jekel
