Public Hearing to Consider Amending Rules

The Post Oak Savannah Groundwater Conservation District (“POSGCD” or “District”) will hold a public hearing on November 14, 2023, on the amendment of the Rules of the Post Oak Savannah Groundwater Conservation District (“Rules”).

The Board of Directors will consider amending the Rules at the Board Meeting following the public hearing. The amendments include but are not limited to Section 2.3 Quorum, Section 2.4 Conflict of Interest, Section 9.1 Water Use and Other District Fees and Charges, Section 14.2 Notice and Scheduling of Hearings on Applications, Section 14.3 General Procedures for Hearings on Applications, Section 14.7 Final Decisions and Appeal for Permits and Applications, and Section 14.8 Rulemaking Hearing Procedures and Public Hearings.

The public hearing and board meeting will be conducted at the District’s office located at 310 East Avenue C in Milano Texas.

All interested persons are invited to attend and provide public comment. Please note: *In consideration of concerns regarding the Coronavirus Disease (COVID-19), the District Offices will be open to the Directors, Staff, Consultants and public who wish to attend in person, while others may attend virtually. Additional information on virtual attendance will be found in the notice for the Board meeting of that date on the District’s website.*

Written Comments will be filed by mail to POSGCD, P.O. Box 92, Milano, Texas 76556, by facsimile to 512-455-9909, or by email to admin@posgcd.org . A copy of the Rules as proposed for amendment, dated October 10, 2023, can be accessed on the District’s website- www.posgcd.org or will be provided by e-mail upon request to the above e-mail address. Information related to the amendments and public hearing is available for inspection, review and copying at Post Oak Savannah Groundwater Conservation District offices, located at 310 E. Ave. C, Milano, Texas during office hours from 8:00 a.m. until 4:00 p.m., Monday through Friday.

Signed this 17th day of October, 2023
