Good Morning Mr. Westbrook,

I write this email to you with much hesitation, however I believe this is the right and just decision for me and my family.

I have decided to tender my resignation from the Board of Directors for the Post Oak Savannah Groundwater Conservation District effective July 1, 2024.

As you know, I have been appointed as Mayor for the City of Rockdale, Texas and the duties of mayor keep me very busy, representing our citizens and our city.

I have enjoyed my 4 years as a director for Post Oak Savannah and have learned that the work performed by our outstanding staff as well as our entire board of directors is in the best interest of conserving water based on the laws we are governed by under the State of Texas.

I extend my thanks to you sir, our staff, and my fellow board members for continuing to pursue excellence in water conservation through education, and enforcement of our rules and regulations.

Respectfully,

Ward Roddam
