Re: Clay Water Supply Corporation ("CWSC")
Post Oak Savannah Groundwater Conservation Grant 2022
Request for Extension

Dear Mr. Westbrook:

Clay Water Supply Corporation respectfully requests an extension to complete the work associated with the 2022 grant project. Our record show there are grant funds remaining in the amount \$250,000.00. Although this work is underway, we do not believe it will be completed within the allotted time frame.

A six month extension is respectfully requested. We appreciate your consideration of this request. If you have any questions, please do not hesitate to contact me by calling (512) 845-3230 or email pck@pgms.net.

Sincerely,

Patrick C. King, General Manager
Clay Water Supply Corporation
